Testing Around The World

SPEED GEEKING

At yvrTesting in Vancouver

yvrTesting will be holding their final event of the season on June 4, 2014 and for this, it was decided to bring back, by popular demand, "**Speed Geeking**", so be sure to bring your innovative ideas. What is Speed Geeking? It's an exciting way to exchange ideas with your peers about topics in QA and testing, while relaxing after work in a casual atmosphere. 2014 World Congress for Software Quality

Come to London, UK on July 1-3, 2014 for the 6th annual World Congress for Software Quality, "Shift left – inspiration and innovation for software quality". Gather with world leaders in software quality as they discuss how shifting tasks from the right to the left side of a plan can greatly increase the quality of your project.
