[Current Opportunities](#)

## PQA Testing In Your Area

### CTIA Super Mobility Week

PQA Testing will be in Las Vegas, NV September 9-11, 2014 for **Super Mobility Week**, the largest mobile event in North America. Meet with PQA Testing representatives at our booth in the **Canada Delegation Pavilion** and, while you're there, browse the expo to discover the latest ways mobile is impacting business, home, health, money, auto, retail, media, networks and beyond. For more information, visit our [website](#).

## Exploring How to Adapt Your Test Strategy For COTS

Join SQDG in Calgary as they host "**Exploring How to Adapt Your Test Strategy For COTS**" on September 10, 2014. Hosted by PQA's Adam Geras, the panel discussion will be an open conversation on testing of Commercial Off -The-Shelf (COTS) implementations. For more information, visit our [website](#).

## A Retrospective of CAST 2014

On September 17, 2014 in Vancouver join PQA's Keith McIntosh and Christin Wiedemann, Sophos' Karen Nakagawa and Bob Cook and Vision Critical's Jay Konkin at yvrTesting. Stuart Ashman will interview the panelists in an interactive panel format about their experiences, opinions and lessons learned at the recent CAST conference - "The Art and Science of Testing". For more information, visit our [website](#).

## Why Do Testers Play Games? Exploring the Science Behind Play

Christin Wiedemann of PQA Testing and Martin Hynie of Drytech International will be delivering "**Why Do Testers Play Games? Exploring the Science Behind Play**" at the KWSQA Targeting Quality Conference on October 9, 2014 in Waterloo, Ontario. For more information, visit our [website](#).

## Testing Around The World

### UCAAT 2014

Join other testing industry professionals September 16-18 in Munich, Germany for the 2nd annual **User Conference on Advanced Automated Testing**. Share user experiences and techniques and learn about the latest advances in the industrial use of test automation. For more information, visit our [website](#).

### STARWEST 2014

Explore **STARWEST** in October! Network with testing enthusiasts from around the world in Anaheim, California October 12-17 and learn more about software quality from the experts. For more information, visit our [website](#).

### Pacific NW Software Quality Conference

Come to Portland, Oregon for the 32nd annual **Pacific NW Software Quality Conference** October 20-22. Intended for software product managers, quality professionals, Agilists, managers, contractors, consultants, customers, developer-testers, tester-developers and maintenance engineers, this is a "must attend" event. For more information, visit our [website](#).

### STPCon Fall 2014

Save the Date! **STPCon Fall 2014, "Meet your fellow testers in the clouds"** is coming up November 3-6 in Denver, Colorado. Take advantage of STPCon's educational sessions and networking events and meet fellow testers and testing enthusiasts from all over the world. For more information, visit our [website](#).
