

# PQA TESTING HOPES YOU HAD A GREAT SUMMER

Here's what's new!

Are you worrying about the right things? Risk assessment for digital projects.

Co-CEO and Chief Scientist of PQA Testing, Christin Wiedemann will be spending the evening on Wed, October 21 with Vancouver DPM to discuss this topic. Join them!

We are proud to launch the PQA Academy to our growing list of employees.

As part of PQA's mission to support and encourage professional growth, we are proud to launch the PQA Academy! The PQA Academy is a series of monthly webinars.
